

Sinclair
Broadcasting's
decision to force
their stations to
air an anti-Kerry
documentary days
before the election
is wrong. This is a
clear and dangerous
example of what
happens when a
single company is
able to consolidate
to this degree.

Sinclair uses MY
airwaves free of
charge, and is
obligated by law to
serve the public
interest. This is
NOT serving the
public interest but
is instead acting as
a campaign
contribution
financed by myself
and other taxpayers.

Sinclair's actions
show why we need to
strengthen media
ownership rules, not
weaken them. They
show why the license
renewal process
needs to involve
more than a returned
postcard. Its time
to return the US to
a time of open, fair
and diverse media
coverage. That's
what our democracy
deserves.

Thank you.
